## Update On The Role Of Gut Microbiota Modulation For The Treatment & Prevention Of Mood & Anxiety

Thursday, April 5, 2018 | 12pm ET | 9am PT

During this Virtual Forum, hear from experts Roger McIntyre, MD, FRCPC, Professor of Psychiatry & Pharmacology at the University of Toronto, Head of the Mood Disorders Psychopharmacology Unit University Health Network, and Executive Director of the Brain & Cognition Discovery Foundation; and David Scheiderer, MD, MBA, DFAPA, Director of Education at Integrative Psychiatry, Inc. Our speakers will review the association between dysfunction of gut microbiota-brain axis and mental health disorders. Speakers will also review when, how, and in whom gut strategies for the evaluation and treatment of psychiatric illness may be appropriate. Speakers are paid consultants for Otsuka Pharmaceutical Development & Commercialization, Inc.

### **Roger McIntyre, MD, FRCPC**
