VIRTUAL FORUM

Certified Community Behavioral Health Clinics: A New Approach To Providing Mental Health & Addiction Services

Monday, April 16, 2018 | 12pm ET | 9am PT

Certified Community Behavioral Health Clinics (CCBHCs) were established as a demonstration program under the federal Protecting Access to Medicare Act of 2014 in order to provide a comprehensive range of community-based addiction and mental health services to vulnerable individuals. CCBHCs are required to provide specific types of services under the demonstration, and receive enhanced Medicaid reimbursement rates to cover the costs of their comprehensive care.

During this Virtual Forum, Joseph Parks, MD, and Darryl Donlin, LCSW, MBA, will cover the demonstration project and its approach to comprehensive and coordinated mental health and addiction services. Speakers will provide context for the set up, structure, required services, and quality measures utilized in CCBHCs; will explore how CCBHCs may improve access to care and care coordination; and will discuss payment incentives associated with the demonstration project. Speakers are paid consultants for Otsuka Pharmaceutical Development & Commercialization, Inc.

Joseph Parks, MD

Medical Director, National Council for Behavioral Health; &
Practicing Psychiatrist

Darryl Donlin, LCSW, MBA

Senior Associate, *OPEN MINDS*

Jane Guo, PharmD, MBA, Managed Market Liaison for Otsuka Pharmaceutical Development & Commercialization, Inc., will be the moderator of this event.
